# FINAL FANTASY

最终幻想：天野喜孝作品展

# 天野喜孝

天野喜孝 1952 年出生于日本静冈市，童年时曾任职于某纸品厂，因此天野从小就利用该厂纸张作绘画之用，渐渐对绘画产生兴趣。1967 年，15 岁的天野任职于某日本动画公司，直至 30 岁正式辞职并自资推出个人作品 1984 年名为《魔天》的画集。

天野喜孝所创造的科幻小说般的插图穿越了时光及疆界进入虚构的世界，他的作品中线条是强调的重点，因为这些线条是他手绘的痕迹，他笔下人物的眼睛常常被夸大，让人感觉那些画中的人物是从另一个世界看着观众。

早期天野喜孝的画风以天马行空的水彩画为主，富有抽象及幻想色彩，曾被舞台剧、电子游戏（最著名为最终幻想系列作品）采用为题画。后来又创作于铝板上，当今天野喜孝被认为是将艺术与动画电玩串联最成功的艺术家。

在天野喜孝优秀及前瞻的创作中，他展现了统一的艺术世界，不管是整体或者是单一的作品，都超越了学术及大众艺术的界限。他展现的图像及故事内容使全世界的观众产生了共鸣和回响。

# YOSHITAKA AMANO

Born March 26, 1952 is a Japanese artist, character designer, and illustrator. He first came into prominence in the late 1960s working on the anime adaptation of Speed Racer. Amano later became the creator of iconic and influential characters such as Gatchaman, Tekkaman: The Space Knight, Hutch the Honeybee and Casshan. In 1982 he went independent and became a freelance artist. He is also known for his commissioned illustrations for the popular video-game franchise Final Fantasy.

Amano crosses time zones and borderlines into fictional spaces that result from his abundant science fiction illustrations. The emphasized quality of lines is significant for Amano's works because these are the traces of his hand; the eyes in Amano's paintings are often overly exaggerated as if they are looking at the viewers from another world.

The distinguished and visionary paintings by Yoshitaka Amano form a unified artistic vision, whether presented as a whole body of work or individually, which transcend boundaries between high and low art, unfolding images and stories that echo and resonate with millions across the globe.
